## KEY SELLING POINTS

### *FLOATING FRONTS*

The “floating” fronts are achieved by combining a 12 mm inner cabinet with an 18 mm outer cabinet. This unique design creates the illusion of floating fronts and adds a touch of lightness to the overall aesthetic.

### *METAL HANDLES*

The design is both practical and visually appealing. It features a soft curve that breaks up straight lines, allowing for easy access to compartments. Made of high-quality aluminum with a matte black finish.

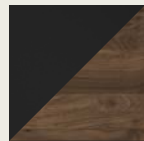

### *RETRO-STYLE LEGS*

Ry has retro-style, stained solid beech legs combined with metal bars. The angled and round legs elevate the furniture from the floor and make cleaning effortless.

## *MATT WHITE (49)*

Matt white is a smooth, non-shiny colour that looks clean and crisp. It has a subtle and elegant appearance, creating a modern and timeless look.

## *JACKSON HICKORY (HL)*
